Report of Principal and School Improvement Council

At York Road Elementary School we continue to operate with the core belief that all of our decisions should focus on what is best for our students. As our staff set school improvement goals for this school year, this belief was our guiding principle. Our primary goals for the school year included strengthening our core subject areas of math and language arts, focusing on becoming a true PLC – professional learning community - through feedback between all stakeholders - students, staff, and administration, and our final goal was increasing the morale of our entire school. With the addition of a math coach, we were able to assist teachers with planning support as well as professional development. This in turn resulted in better than average growth in all grade levels as demonstrated on the MAP test – Fall to Spring score comparison. Literacy instruction was improved through diligent use of our district's Literacy Expectation Guide, along with the formation of clubs like the "Morning Reading Buddies" program. A process for feedback was developed and shared at all levels – from student to teacher, teacher to student, administration to teacher, and teacher to administration. This resulted in a heightened sense of cooperation and understanding among all stakeholders. Finally, efforts were taken at increasing faculty/staff and student morale through systematic processes of recognition, shout outs, and support. The school increased the presence of 1 to 1 technology, outfitting all students in grades three through five with iPads. This enabled these students to have a direct source for current information as well as access to many new learning tools – online sources and applications. Our staff is proud of our students' accomplishments in 2013-2014. We owe special thanks to a very strong PTA which has worked tirelessly to raise funds for important school supplies and projects.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

York Road Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
